THE UNION OBJECTIVES

OBJECTIVES

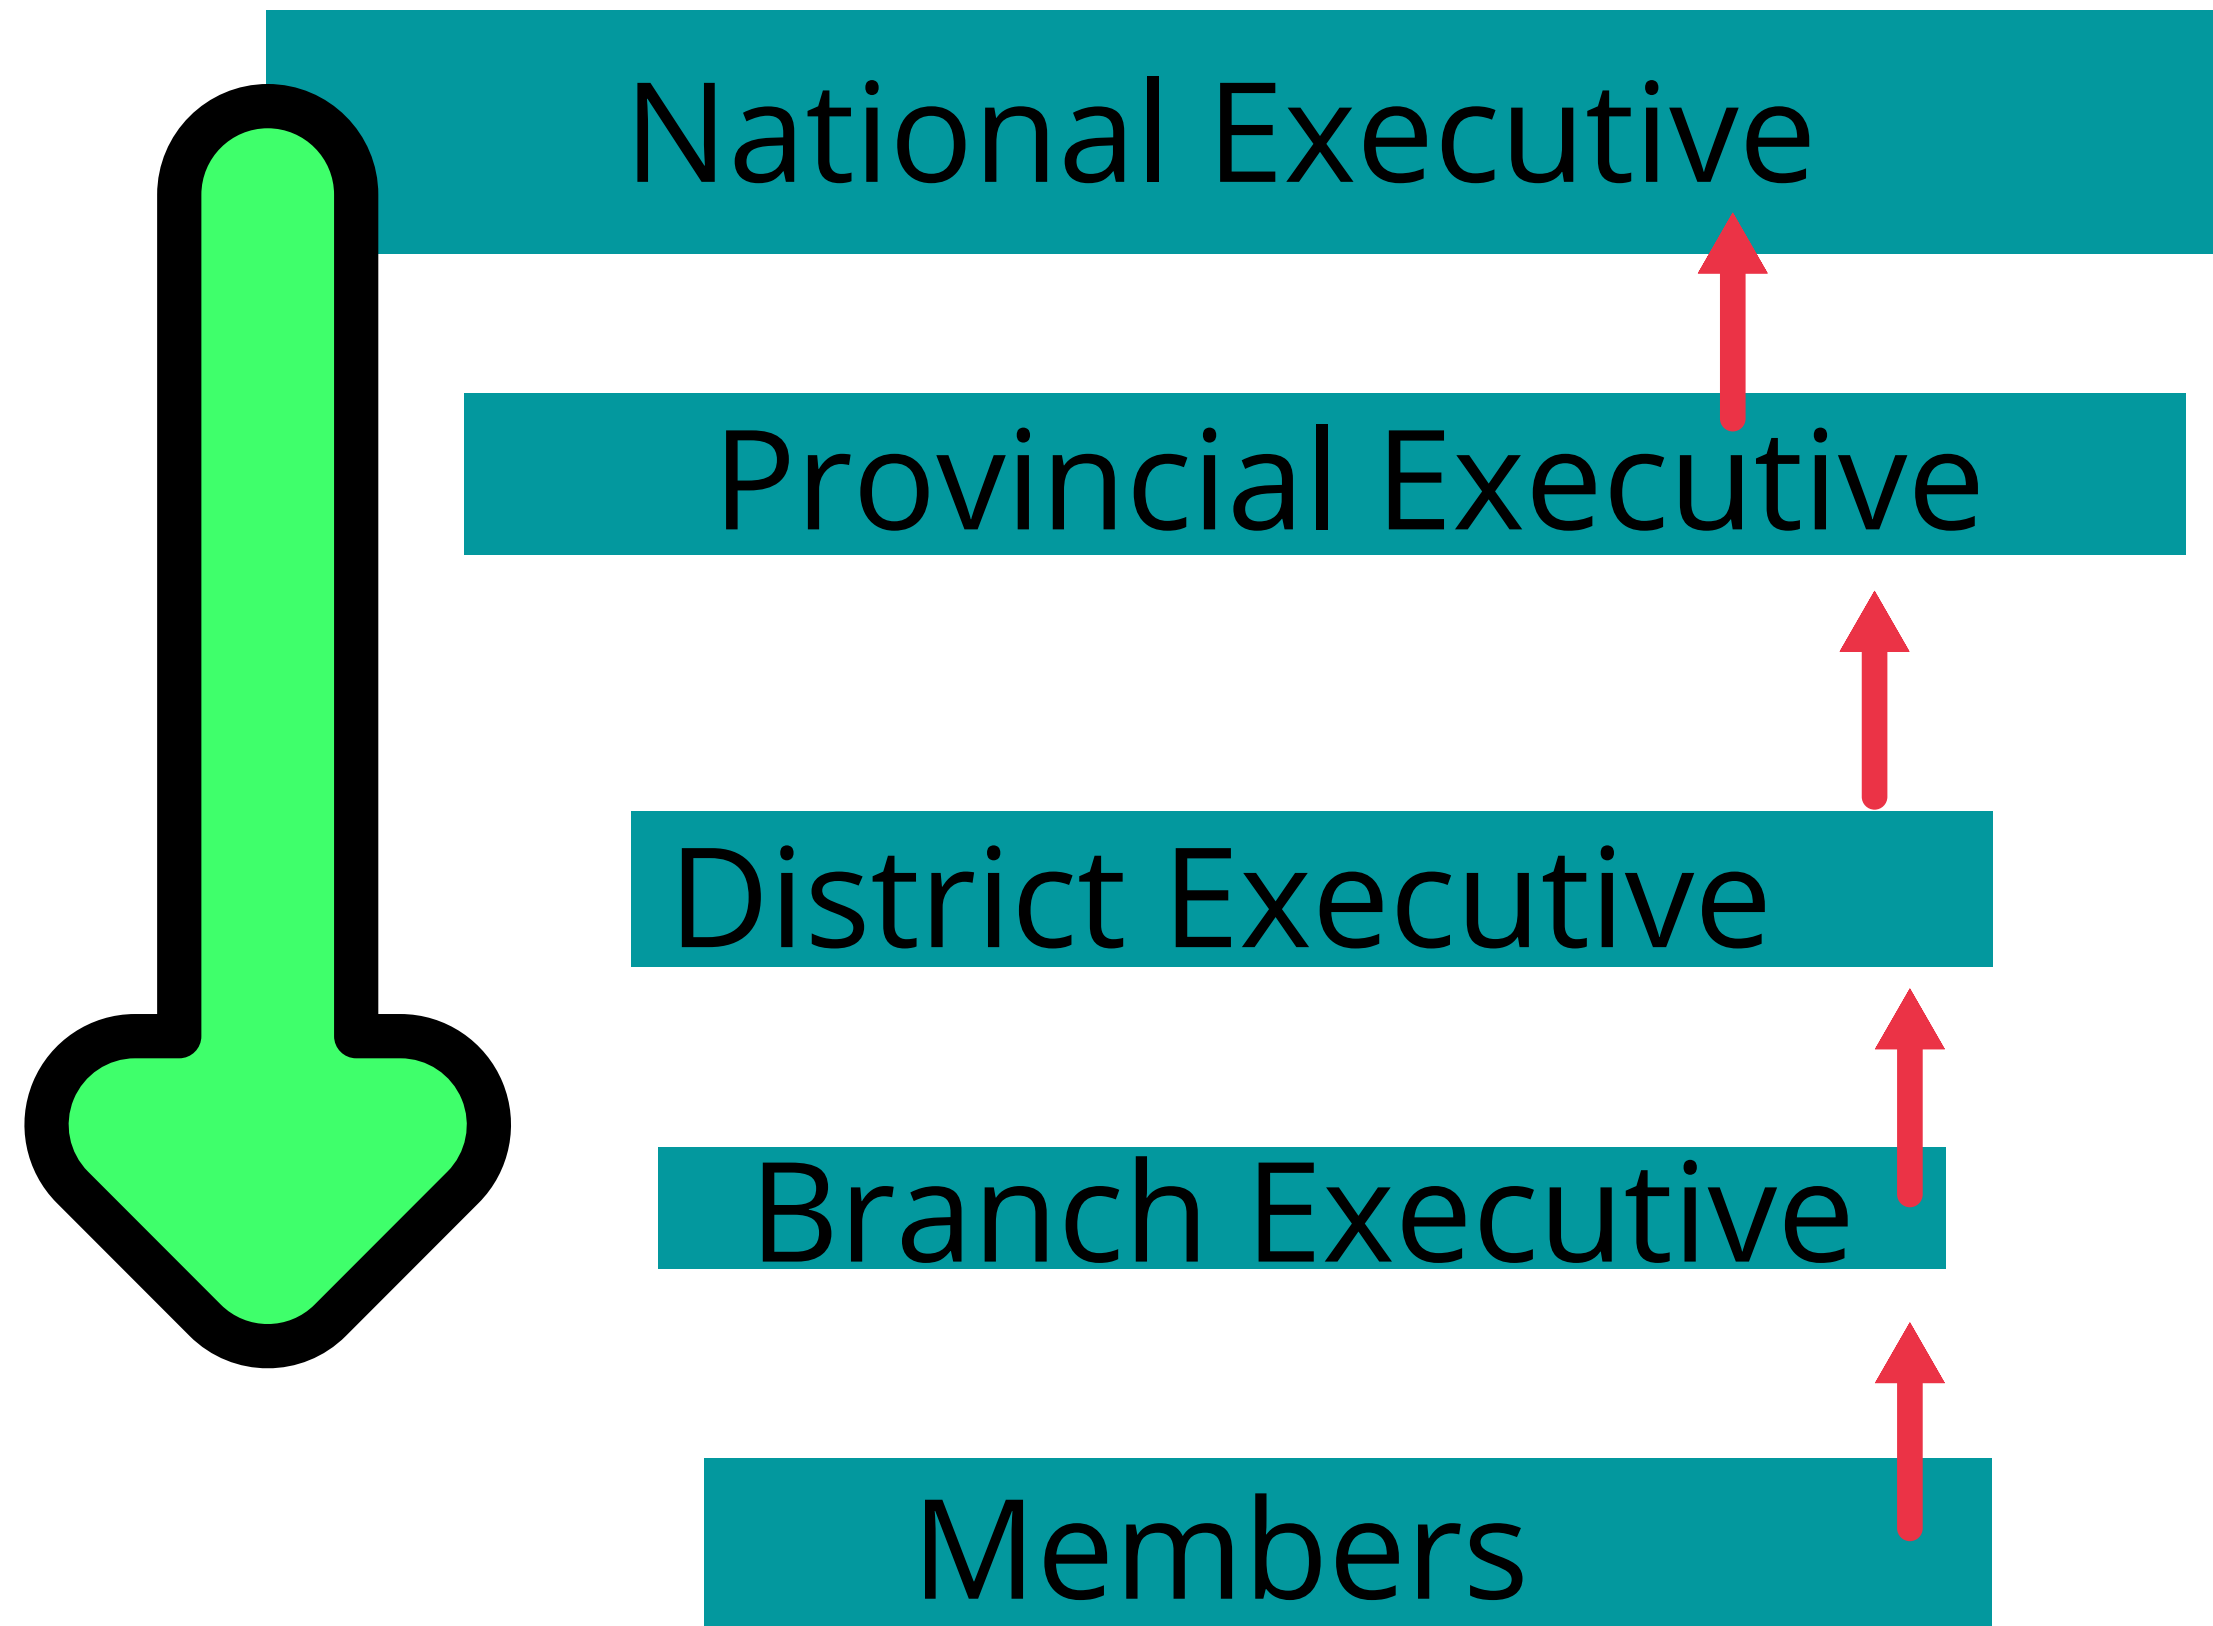

- Promote, advance and protect the socio-economic and professional needs, rights and interests of its members.
- Advocate and promote the development and provision of relevant quality public education in Zimbabwe.
- Develop, lobby and implement sound national educational policies and programs.
- Promote the preservation of sound and progressive cultural heritage of the Zimbabwean people.

OBJECTIVES

- Associate, affiliate and collaborate with other organizations with similar objectives in Zimbabwe and the world over.
 - Engage in income generating activities that promote and advance the needs and interests of its members.
 - Collect and disseminate relevant and appropriate information to members and stakeholders.
 - Promote gender based equality and equity in the association and the educational sector and all spheres of society.
